This report is based on my investment of over \$10,000 to learn how to make money online from many internet marketing experts and on October 2004, I took the time to fly all the way to Anaheim, USA, to learn from the late Corey Rudl, a world-renowned internet marketing expert. I have also invested thousands of hours on the Internet to discover what works and what doesn't.

You can make money online in three simple steps.

Step 1. Find someone who has a simple, proven and duplicatable system.

You have achieved Step 1 by reading this report and you have found the system, it will be revealed to you.

Step 2. Work closely with him to apply the system.

You will work with the person who shared this report with you and yours truly, Bruce Seah, Asia No.1 Home-Based Business Coach, with 18 years of network marketing experience and 7 years of internet marketing experience! I started a website in 1999 and didn't do much at all till 2004 when I attended the 3-day Millionaire Matrix Seminar conducted by Robert Allen at the Orchid Country Club in Singapore. I was challenged to take action to make money online and was awarded the Courage In Action Award at the Wealth Retreat at Anaheim, USA, in October 2004 which was organized by the Enlightened Millionaire Institute and hosted by Robert Allen and Mark Victor Hansen.

Step 3. Share this system with people who want to make money online.

There are millions of people online every day searching for a simple system to help them make money online and a sincere mentor and coach who will show them step by step how to do it.

This report is based on these core values: love, sincerity, simplicity and leverage.

“Love is the greatest power on earth.” – Bruce Seah

“Sincerity is the highest mark of a man.” – Confucius

“Simplicity is the ultimate sophistication.” – Leonardo Da Vinci

“I rather have 1% of 100 people's effort than 100% of my own.” – J Paul Getty.

Network marketing is now integrated with internet marketing. Network marketing gives you the opportunity to leverage on thousands of people in many countries, thousands of hours and unlimited resources. Internet marketing gives you a very powerful, low-cost and effective business tool to reach millions of people worldwide at a click of a mouse.

Network marketing combined with internet marketing is truly a marriage made in heaven and gives you a simple, proven and duplicatable system to create lifetime passive income to achieve your dreams!

Network marketing is highly recommended by thousands of entrepreneurs, business consultants and marketing experts such as Robert Kiyosaki, Stephen Covey and Mark Victor Hansen.

“You need to be part of an MLM.” - Mark Victor Hansen

“Network marketing has come of age, it’s a way to independence for millions.” - Stephen Covey

“A network marketing business is for people who want to enter the world of the B quadrant, either part-time or full-time.” - Robert Kiyosaki

“It is the most ethical form of business.” - Bob Proctor

“My whole career has been built around the concept that you can have everything in life that you want if you will just help enough people get what they want. Network marketing, more than any other structure I’ve ever seen, brings that concept into manifestation.” - Zig Ziglar
